

***Needs Assessment Charrettes  
for the Louisville Historical Museum***

**Location: Louisville Public Library Meeting Room,  
951 Spruce St.**

**Wednesday, October 1, 2014**

**Two Alternative Times:**

**3:00 to 5:30 PM  
&  
6:00 to 8:30 PM**

Members of the public are invited to attend a charrette for the Louisville Historical Museum! Two charrettes, which are intensive workshops, have been organized for citizens to collaborate on a vision for the Louisville Historical Museum and its operations and for a new building on the Museum campus at 1001 Main Street. It is hoped that interested members of the public will be able to attend either the afternoon charrette or the evening charrette.

This is a unique opportunity for stakeholders and citizens to help shape the future of the Louisville Historical Museum, which is the northern anchor for the Main Street commercial district in historic downtown Louisville. The charrettes will be organized and led by Metcalfe Architecture & Design of Philadelphia.
